

DocuPunch[®] PLUS

Automatic Punch

The DocuPunch[®] PLUS is the original and world's best selling automatic punch. It's as easy to use as an office photocopier - load the paper, turn it on using the digital keypad, and walk away!

This versatile, ergonomically designed time-saver offers hands-free punching of pre-collated books, presentations, reports and even tabbed sheets (documents up to 13" wide).

With 110v power and heavy-duty casters, this unit can be set up in minutes anywhere in your shop and is capable of producing up to 76,500+ punched sheets per hour!

FEATURES & BENEFITS

Efficient: Speeds of up to 76,500+ sheets per hour with clean, perfect holes for finishing.

Convenient: Adjustable pick thickness from 0.4 to 1mm, to maximize production and offer trouble-free operation on a wide range of paper stocks.

3 Selectable Speeds: 50, 60 or 75 cycles/minute to offer more productivity and more security for a wider range of punching jobs.

Digital LCD: Touchpad control that is icon based for simple operation.

Versatile: Punches wide variety of paper stocks, covers, and even tabbed sheets in sizes from 5.5" x 5.5" up to 13" x 12" kept in perfect pre-collated order.

Dependable: The connecting side plate on the punch ram has been reinforced. This additional structure allows the DocuPunch[®] PLUS to double the punching capacity of previous models.

Easy-to-Use: Hands-free Operation - Simply load the tray, push a button and walk away. No special training or personnel required.

Unique Paper Handling: Positive sheet pickup with beak and 3-sided jogger for perfect punching registration.

Ergonomic Design: Allows all operations, including punch die changes, to be performed quickly and easily from the front of the machine. Incorporates integral storage space for three tools.

Heavy-Duty Steel Dies: Guide posts for perfect alignment, quick pin access, and flanged holes to help clear out waste and add longer life.

Punch Die Patterns: 3:1 & 2:1 Wire-0[®]; 4:1 plastic coil; plastic comb; VeloBind[®]; 2, 3, & 4-ring binder; and many more.

Safety & Auto-Stop: Built-in features to help avoid paper jams and increase safety.

Compact: Very small footprint without compromising on power and quality.

Installation: Lockable caster wheels allow quick and easy machine placement.

Power Requirements: 110v / single phase / 60 Hz

Dimensions: 46" H x 51" W x 28" D
